Deputy Head – Mrs N. Van Der Walt BA (Hons), PGCE

Friday 5th February 2021

Dear Parents/Carers,

I hope this latest weekly update finds you and your family well.

The weeks seem to be going by so quickly and there is only one more week before we break off for half-term. It hopefully will not be long after half-term before we welcome all of our children back to school – and we CANNOT WAIT!

Thank you for continuing to persevere with the remote learning, and for engaging with school staff when they are carrying out check-in phone calls.

This week we were very lucky to have some more devices donated to our school from Hull Children's University and we are busy getting these set up so that they can be allocated to children as soon as possible. If your child does not have a device at home, or they are sharing a device with a sibling, please get in touch as we may be able to support.

In addition, we are still offering support to families who are having difficulty connecting to the Internet. As we are encouraging our children to access remote learning online, you need to be able to access the Internet. Again – if you need support with this, please get in touch.

It has been confirmed that the Local Authority will be providing meal vouchers over the half-term period. If your child is eligible, you will receive an email from Wonde (please note this will be different to the current provider Edenred) with details of how to claim your voucher(s). The school will not be open over the half-term period so any queries regarding vouchers should be forwarded to admin.dorchester@hcat.org.uk.

Have a lovely weekend everybody.

Yours Sincerely,

Stuart Mills
Headteacher
