Dear Parents/Carers

I hope this letter finds you safe and well.

We have been so pleased to see so many of our children back in school, now that we are in the early stages of returning to some normality.

As schools are now fully open to all children, we have understandably been receiving enquiries as to whether the early Friday finish that has been in place during this pandemic will continue. I would like to confirm that after consultation with a number of stakeholders, all HCAT schools will be returning to their previous individual school timetable after the easter break. This means from week commencing 12<sup>th</sup> April, HCAT schools will be open for a full day on Fridays.

We want to thank you for your support during these extremely challenging circumstances. Your understanding and co-operation has been greatly appreciated.

As you are aware, we are still working with the challenges of Covid-19, which will potentially see members of the HCAT community having to undertake an isolation period. As has always been the case over the last year, we welcome the working collaboration between everyone within HCAT in order to keep moving forwards.

Kind regards

Estelle Macdonald
