Dear Parents/Carers,

### **Classes, Staffing and Transition**

It has been a very strange, unprecedented year/18months for everybody and I want to start by thanking you for all of the support you have given the school and staff over this period. As we look ahead to September, we will hopefully have returned to a more settled period and will be able to get back to doing some of things we have missed out on for so long.

I am sure that many of you, and your children, will now be thinking ahead to next year and will be eager to know which teacher they will have. Before I detail that information, I would like to take this opportunity to let you about some members of staff that will be leaving us for pastures new, as well as others that will be joining us.

#### **Leavers:**

Miss Gibson has secured a role working for Hull and East Yorkshire Children's University, returning to a place she has worked previously. We thank her for her commitment over the last three years at Dorchester and will no doubt still see her as part of her new role.

Miss Turner, having spent two years at Dorchester, has secured a position at another Hull school. We thank her for her hard work and wish her the best of luck in her new role.

Miss Tether, Miss Towse and Ms Lima, who are all Achievement Support Assistants in our school, will be leaving in July as their contracts come to an end. We thank them for their tireless hard work and wish them all the very best for the future.

#### **Joiners:**

I am pleased to welcome Miss Bloom and Miss Wilmot as new teachers to our school. Miss Bloom has been a trainee teacher with us over the last year and has impressed us so much that we didn't want to let her go. Miss Wilmot is currently completing her teacher training at Spring Cottage Primary and will be popping in to meet the children during transition week.

I have made the decision to continue with two classes in each year group next year in order to provide more adult time for every child. We know that children have missed significant chunks of learning and will require lots of support to get back to where they were prior to the pandemic.

In addition, Miss Revell will be getting married over the holidays and will return as Mrs Horsham.

Your child's class teacher for next year will be included in the same envelope as their end of year report, which will be coming out on Friday 2<sup>nd</sup> July.

**Transition**

Unfortunately, our planned transition arrangements this year have had to change as a result of the extension to current restrictions. Our year 6s will again have a 'virtual' transition and our other year groups will spend two days with their new teacher(s) on Monday 12<sup>th</sup> and Tuesday 13<sup>th</sup> July. In order to do this logistically and to ensure that there is minimal movement, the new class teachers will move to the classrooms the children are currently in, rather than the children moving. All current timings of the day and entrances will remain the same.

Yours Faithfully,

Stuart Mills  
 Headteacher
