

# Year 3 and 4 Topic Overview

Spring Term 2024

# Year 3 and 4 Spring Term

## Geography

Children will continue to build their knowledge in reading maps and develop their understanding of how our World is organised geographically. Children will learn about the water cycle and learn about the formation of rivers. Finally we will compare Spain's geographical features to England's.

# Year 3 and 4 Spring Term

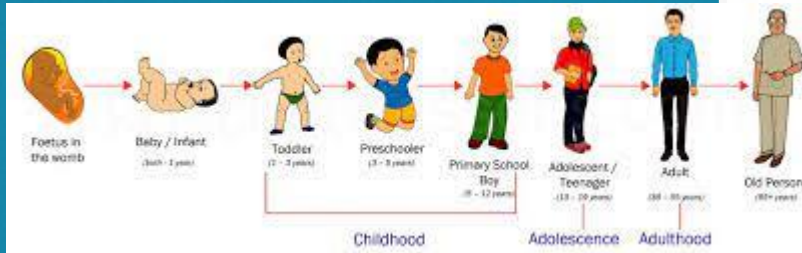

## History

We will begin to learn about what life was like in the Paleolithic and Mesolithic periods. We will begin to look at how beliefs changed during this time.

# Year 3 and 4 Spring Term

## Science

This term we will learn about plants - specifically looking at the flowering parts of plants and their roles in pollination.

## PSHE

In PSHE we will learn how to manage risk in different places such as online, water and road safety. We will also look in to the benefits of sleeping well and being active.

## Religious Education

In RE we will explore how faith has inspired people to dedicate themselves to worthwhile causes.

# Year 3 and 4 Spring Term

## **Design and Technology**

In DT we will be making mobile phone cases.

## **Art**

In Art we will look at the work of Megan Coyle to create some collage landscapes.

## **Music**

In music we will learn how to play the notes A B and G on the recorder. We will learn what a crochet is.

# Year 3 and 4 Spring Term

## Computing

In computing we will be developing our photo editing skills.

## PE

In PE we will complete team games, looking at and working on communication tactics. In the second Spring Term we will begin to learn how to play Hockey.

# Year 3 and 4 Core Subjects

## Maths

In year 3 our focus will be on length, mass and volume.

In Year 4 our focus will be on graphs, fractions and time.

## Writing

This term we will be starting the year with a Narrative inspired by the book – Wisp - a story of hope.

## Reading

We will continue to develop our reading skills across the curriculum and within lessons with our core text I Cosmo.

### **Maths**

Please support them in recapping or learning their times tables facts.

### **Reading**

Please support them in reading at least 3 times a week.

### **Wider curriculum**

Please ask your child what they have been learning about in school. Challenge them to teach you something they learn each day!

### **Writing**

- Give your child opportunities to write.

**Year 3/4**

**Supporting your child at home**
